

## **Deposit and Withdrawal Policy**

Trading in any investment opportunity that may generate profit requires Fantex customers to deposit money on their online account. Profits may be withdrawn from the online account. Deposits and withdrawals are regulated by this WD policy as well as the generally applicable terms and conditions.

### **Deposits**

You, the Client, have to perform all the deposits from a source (e.g. single bank account). If you want to start trading, you should make sure this account is in your country of residence and in your name. In order to certify that a SWIFT confirmation is authentic, it has to be sent to Fantex to confirm the origin of the money which will be used for trading. If you don't comply with this WD policy, you may be prevented from depositing the money via Bank/Wire Transfer. If you did not login and traded from your account within six (6) months ("Dormant Account"), your Dormant Account will be subject to a deduction of 10 % each month (the "Dormant Fee").

### **Withdrawals**

According to generally acceptable AML rules and regulations, withdrawals must be performed only through the same bank account or credit/debit card that you used to deposit the funds.

Unless we agree otherwise, withdrawals from the Account may only be made in the same currency in which the respective deposit was made.

In addition, when you deposit or withdraw money for trading purposes using alternative payment methods, you should be aware that additional fees and restrictions may apply. Withdrawals are subjected to withdrawals processing and handling fees. Those fees will be deducted from the transferred withdrawn amount. The fees schedule is available on Fantex

Without derogating of the foregoing, Fantex may execute withdrawals to a different facility than the one used for the deposit, subject to Anti Money-Laundering regulations.

Furthermore, when it comes to withdrawals, Client may be required to present additional information and documents.

## **Withdrawals Fees**

Withdrawals will be charged a transaction fee of the following:

50.00 USD/GBP/EURO for wire transfers; 25.00 USD/GBP/EURO for credit cards plus a processing fee of 10.00 USD/7.00 EUR/5.00 GBP; 25.00 USD/GBP/EURO for ePayments. A levy of 10% of the withdrawal amount will be charged to any withdrawal from an account that has not executed more than 200 in turnover and/or from accounts that have not been verified.

Minimum withdrawal for wire transfers is 250.00 USD/GBP/EURO. Minimum withdrawal on any other method is 100.00 USD/GBP/EURO. Note that these charges exclude the transaction fee imposed; for instance, if a minimum of \$250 is to be withdrawn by bank wire transfer, a transaction fee of \$50 will be charged.

Please note unless otherwise explicitly agreed, Non-Deposited Funds are not available for withdrawal. Further, due to technical limitations, Non-Deposited Funds may be assigned to Client's account in certain occasions (for example, for the technical purpose of allowing the closing of positions or an indebted account).

Without derogating from the abovementioned, bonuses issued to Client by Fantex may only be withdrawn subject to execution of a minimum trading volume of 25 times the deposit amount plus the bonus issued (“Minimum Trading Volume”).
